EXPERIENCE

WordPress Developer | 2 Years Experience

Experienced in designing, developing, and maintaining professional WordPress websites tailored to diverse industries. Strong grasp of custom themes, plugin integration, responsive design, and SEO optimization. Successfully delivered and deployed the following projects:

- **Sublime Groceria** – A fully functional and actively running e-commerce grocery platform.
- **Bitel College** – An educational institution website built for clarity, accessibility, and ease of updates.
- **Sublime Care Cloud** – A healthcare service platform with custom features and optimized user experience.

- **Taj Foods & Zuriyat Foods** – Food business websites showcasing products and brand identity with a modern, user-friendly design.
- **Maxima Solar** – A clean, informative website for a solar energy company, highlighting services and lead generation.
- **ElliotWave** – A professional site focused on financial analysis and market insights, built with performance and scalability in mind.
