PROFILE

Enthusiastic and motivated **Flutter Developer (Fresher)** seeking an internship opportunity to gain hands-on experience in mobile app development. Eager to apply my knowledge of **Dart, Flutter, and Firebase** in real-world projects while learning from industry professionals.

I have a good understanding of **UI/UX principles, responsive design, and problem-solving**. I'm a **quick learner**, passionate about technology, and always ready to explore new frameworks and ideas in mobile app development.

SKILLS

- **Frontend (Mobile & Web):** Flutter, Dart, React Native (basic), HTML, CSS, JavaScript
- **Backend & Database:** Firebase, Node.js (basic), MongoDB (basic)
- **Tools & Version Control:** Git, GitHub, Android Studio
- **Other:** REST APIs integration, Responsive UI design, State Management (Provider / River pod basics)

PROJECTS

Watch Store App (Flutter)

- Developed an e-commerce style app for showcasing and purchasing watches.
- Implemented clean UI, category filtering, and product detail pages.

PawfectCare – Pet Care App (Flutter)

- Created a mobile app for pet owners to track pet health, grooming, and appointments.
- Used Firebase for authentication and data management.

Blood Bridge – Blood Donation App (Flutter)

- Designed a community-based app to connect blood donors and recipients.
- Integrated Firebase for user registration, database, and Real-time updates.
