## SOFT SKILLS

- Problem-Solving
- User-Centric Thinking
- Time Management
- Adaptability
- Attention to Detail
- Leadership

## LANGUAGE

- English
- Urdu

## PROFILE

I am a final-year BS(CS) student at Jinnah University for Women with a strong passion for UI/UX design and digital creativity. My focus is on designing intuitive, accessible, and user-centered interfaces that enhance usability and create seamless interactions. I aim to balance aesthetics with functionality, ensuring designs are both visually engaging and highly practical. Continuously exploring emerging design trends and technologies, I am committed to delivering innovative and inclusive digital experiences that improve user engagement and accessibility.

## WORK EXPERIENCE

### 10Pearls

2025

#### Shine Intern (MERN Stack Developer)

- Developed a Notes Management System (NotesHub) using MySQL, Express.js, Node.js, and React.
- Built secure backend APIs with bcrypt for password encryption and JWT for authentication.
- Implemented logging (pino-logger) and ensured backend stability.
- Wrote unit and integration tests using Jest, Mocha, and Chai.
- Improved code quality through SonarQube analysis..

### Karachi Port Trust

2024

#### MIS Department Intern

- Gained insights into OOP, SDLC, and Agile methodologies.
- Learned fundamentals of frontend and backend development.
- Acquired knowledge of computer networks and career guidance on CISCO certifications.

### Internee.pk

2024

#### Frontend Developer Intern

- Worked on frontend projects using HTML, CSS, JavaScript.
- Improved responsive UI design and contributed to interactive web components.

## CERTIFICATIONS

- Foundations of User Experience (UX) Design – Coursera
- Draw an Interactive Wireframe in Mockplus – Coursera
- HTML, CSS, and JavaScript for Web Developers – 10Pearls
