

# Artem Luganko

Frontend Engineer — React / Next.js / TypeScript

📍 Remote / Open to Relocation

+995 533 334 567 · [a.luganko@gmail.com](mailto:a.luganko@gmail.com) · [linkedin.com/in/artem-luganko](https://linkedin.com/in/artem-luganko)

## Summary

Frontend Engineer with 7+ years of experience building scalable, high-performance web applications using React, Next.js, and TypeScript. Specialized in frontend architecture, design systems, and CI/CD automation. Proven ability to lead teams, mentor developers, and drive cross-functional collaboration in Agile environments. Experienced in delivering mission-critical interfaces for high-load platforms, with a strong eye for performance and maintainability. Open to remote roles and relocation. Focused on building meaningful products with long-term value.

## Experience

### Frontend Engineer - **ZVUK**

Jul 2022 - Present

*One of the largest audio streaming services (music, podcasts, audiobooks) in Eastern Europe*

- Developed an internal admin panel to manage 70M+ tracks and podcasts, reducing operational overhead by 30%.
- Migrated CI/CD pipelines from Jenkins to GitLab CI, reducing deployment times by 60%.
- Delivered cross-functional features in collaboration with product, backend, and design teams.
- Stack: [Next.js](#), React, Typescript, Ant Design

### Team Lead / Full-stack Engineer - **ADEV**

Mar 2018 - Jul 2022

- Built and deployed a custom CRM system for a logistics company, increasing efficiency by 50%.
- Delivered 10+ client projects within time and budget constraints.
- Introduced Agile workflows, improving delivery speed by 40%.
- Mentored 20+ junior and mid-level developers; 80% promoted to higher roles.
- Handled pre-sales, technical interviews, and client communication.

### Web Development Intern - **IBS**

Aug 2017 - Mar 2018

- Gained hands-on experience with PHP, JavaScript, Yii2, Magento, and WordPress.
- Supported web application development and maintenance tasks.
- Collaborated with senior developers to improve code quality and development speed.
