## SUMMARY

I'm passionate about web development and started my coding journey through self-learning, building small projects, and exploring new technologies along the way. Skilled in creating responsive and user-friendly web applications using modern frameworks like Tailwind CSS. Currently enrolled in Modern Web and App Development at Saylani Mass IT Training and pursuing Bachelor of Engineering Technology in Software at UIT University. A fast learner who adapts quickly to new technologies. Long-term goal: pursue a career as a Data Analyst to help organizations make better data-driven decisions.
