

EIMAN AHMED

STUDENT - COMPUTER SCIENCES

👤 ABOUT ME

I am a motivated and detail-oriented CS undergraduate with a strong interest in building a foundation in the tech industry. While I am in the early stages of my technical journey, I actively engage in student societies and collaborative events that help broaden my perspective and prepare me for real-world challenges. I am currently seeking opportunities where I can apply my academic knowledge, continue learning, and contribute meaningfully to a dynamic team environment.
